

Dear Healthcare Colleague:

The New Hampshire Nurse Practitioner Association (NHNPA) invites you to become an exhibitor for the 2021 Northern New England Nurse Practitioner Conference. The event will be held April 7-9, 2021, virtually. While we will miss seeing everyone in person, we are excited about the expanded opportunities that our virtual platform will allow for our exhibitors and attendees!

With over 25 years of experience, the NHNPA continues to bring together leaders from around the country and nurse practitioners from the northeast for high-quality education. Our event attracts attendees from across the region including nurse practitioners, nurse clinicians, certified nurse midwives, physician assistants, students, educators, and health professionals of varying backgrounds and specialties.

Exhibitors at this conference will have several hours of unopposed access to over 300 nurse practitioners and healthcare professionals. This time can be used to interact with prescribers, discuss decision making, and promote products and services to a core audience. In addition, we have several opportunities for you to offer industry sponsored presentations!

Corporate support has always played a vital role in the ongoing education and recognition of our region's nurse practitioners, and we hope you will choose to join us in strengthening that tradition.

Helpful Information

- Register at NHNPA.org (you can pay here by credit card)
- Checks can be made out and sent to: NHNPA - PO Box 10315 - Bedford, NH 03110
- NHNPA Tax ID Number: 02-032-7540
- Email or call Kim or Mary with any questions

Sincerely,

Kim Mohan
